The 21st Century Boardroom – Is Your Board Ready?

Tuesday, October 9
6:00 p.m. Cocktails
6:45 p.m. Dinner & Program

California Club
538 S. Flower St.
Los Angeles CA 90017

Join the Southern California NACD chapter for our first alliance series dinner with the Southern California Chapter of Women Corporate Directors (WCD) and The Committee of 200 (C200), the premier association of global women CEOs.

In a roundtable format, we will have lively discussion exploring timely governance issues in the 21st Century boardroom;

- Attracting new independent directors with deep expertise in social media, cross cultural and global experience, and conflict resolution.
- Pressures from institutional investors and activist shareholders demanding that boards reflect diverse market groups –gender, ethnic and age.
- How to assess the value-added contributions to the corporation brought by new directors who do not have the CEO background that boards traditionally seek.
- Challenges of saying goodbye and thank you to those directors who have reached term/age limits.

This event is for sitting directors only, so when registering please make sure we have your affiliations for all public, private or non-profit boards.

Cost for all attendees is \$50

For more information and to register please visit our new website at
